PROPERTY INSURANCE

To further protect your merchandise, exhibitors are encouraged to secure Property Insurance. Contact your insurance broker or carrier to obtain a policy to cover the value of your booth, equipment, product and supplies. If you already have property insurance, confirm that it will extend to your property during shipping and at the show. Many insurance policies only cover property at a listed location or within 1000 feet of that location. If you use an independent contractor for installation or dismantling, review the agreement carefully to determine what insurance may be available if damage occurs as a result of their negligence.
